Lieutenant-Governor James A. Walker, jooking as cheerful and hearty as ever, is here; but it can hardly be to receive the benefit of the waters. Of really such people to the waters, of really such people to the waters. Of really such people to the waters of the waters of the waters of the waters. ple there are very few about; of people worn out with business, and dyspepties, there are many. A gentleman with whom I have recently conversed informs me that ex-Governor Kemper is so improved in health that he will probably be able to render unusually effective service in the coming campaign. Virginians are auxious for the Convention to adopt a decisive platform and to put thereon the men who fit it best. Mr. William L. Shepherd has been here and william L. Shepherd has been here and about the neighborhood for some time.

Those who have seen the sketches made by

College student from this county, and in Those who day seems the second and obto book say that they will add to his already brilliant reputation and clothe this western country with a fresh interest for tourists.

Speeches upon several Student from this country are made an appropriate reply. This school has twice won this banner. Speeches upon several Studey-school part of the second An individual appeared here a few days ago and insisted that he could show that solomon was a negro. Put to the proof, he quoted (without convincing anybody) from one of Salomon's songs, "I am black, but comely," &c. It was suggested that this would be a good text for Rev. John Jasper, was they have turned the sun ground about the following the hast unread the sun ground about the following the hast unread the sun ground about the following the f now that he has turned the sun around about and Major A. G. Smith, of Bethel Academy, of en enough. Dr. Moorman, who discovered in the outline of a mountain-top here the resemblance to a human form, and wrote the legend of the Titan of the White wrote the legald of the training sulphur, is often called upon to point out the wooder and tell the story. As a pedestrian, Rev. Dr. Hannon, of Richmond, visitors (the whole crowd about one thouor rather moves-without a rival. [82nd] was divided out amongst the hospita

A Staunton gentleman who recently made ble people of the neighborhood, and the an examination of the White Sulphur registering the conjugate of the day was continued till a ter expressed his astonishment that men late hour of the night. And thus this Sun-from our city almost invariably wrote So day-School Convention, which has been held and So "Richmond, Va.," as if, said he, our year after year for several years as an extry. Staunton folks merely dash down So and So. "Staunton." By the way, Mr. A. B. Moore, of Dry Creek (Calwell House B. Moore, of Dry Creek (Calwell House), management, can, some believe, tell a Richmond man when all that he can see of him in the distance is a linen duster and an open umbrella. Two ladies at the White are expert "riflemen" and often go out practicing, sometimes not caring to be bothered with men folks.

The PREACHERS.

of Chestnut Level, invited several of his visitors to see the burial-place of Mrs. Mats disk headsches, and expecially nervous and visitors to see the burial-place of Mrs. Mats disk headsches, and expecially nervous and sick headsches, and expectation is expected in the working that the working has expected in the working that the visitors to see the burial-place of Mrs. Mats and expected in the working that the working has expected in the working that the visitors to see the burial-place of Mrs. Mats and expected in the working that the working has expected in the working that the working has expected in the working that the working that the working has expected in the working that the working that the working has expected in the working that the working that

on Sunday last Rev. Dr. Storrs (Congretationalist), of Brocklyn, preached in the bail-room. He had the services of quite a good choir, and a member of the band accompanied the singing, with a cornet I shink. At the same hour Rev. Mr. Gholson (Episcopal), of Baltimore, preached in the eliptic not the last of the same hour Rev. Mr. Gholson (Episcopal), of Baltimore, preached in the church on the lawn, of which church (Methor) to the last of the same hour Rev. Mr. Jones is pastor, but Rev. Dr. John Hannon is now acting in that capacity by exchange of pulpits with Mr. Jones for a brief season. Rev. Father Duffy officiated morning and evening in the little Catholic chapel near Dry Crack. Since Duffy officiated morning and evening in the litter-in-law, and because it gives some items little Catholic chapet near Dry Creek. Sun- in the history of Mrs. Clay which people deat Methodist), of Baltimore, preached in the church on the lawn. Rev. J. G. Shack-efford conducts services (Endeager Back). Lewisburg. They have a choir which moscity churches might well envy. In the fall he will assume charge of a parish to Brunswick county. That he will minister eceptably to that people I doubt not, know ng his intelligence, worth, and zeal. Mr. Rubenstein, a young I-raelite of Cincin nati, who is completing his education for the ministry at the Hebrew Union College there, is one of the favorites at Dry Creek, being no less remarkable for amiability than for biblical learning and extensive linguistic

PEMININE FANCIES.

I judge from the expansive appearance of the ladies skirts that hoops have come into fashion again. Owing to the large demand for and limited supply of beaux the gayety here has not been extreme. At one time it was seriously proposed to organize a conscript bureau with the view of impressing recruits. Happily the necessity not now so great. Beaux are coming in quite freely, though there is room for more. The White is crowded nearly to its full epacity, but I daresay no eligible young man will be turned off. One of the great belies Richmond who married and went to Baltimore to re-ide is here, and in the general judgment is as pretty as ever. Richmond this year furnishes here a considerable number of lovely voung misses. These rosebuds promise to give to our city a reputation for beauty equal to any she has ever enjoyed. Mons. Sibourg and family are here. They have tender places in their hearts for Richmond people. Beaton delegate, and William M. Beaton An Ohio lady and last cieft. It These Pich. Au Obio lady said last night, "These Richmond girls are all so well satisfied with themselves." Wherefore I remark, They low and William H. Daughtrey were applied to the work of the wore have the right to be. Mr. and Mrs. Thomas Nowlan are always counted in when agreea-ble people's names are discussed. Two of the loveliest young ladies to be seen in the loveliest young ladies youn company. One is tall and queenly; the of this section seem to look upon Mr. Goode other petite.

ABSENT MINDEDNESS. The following, which is said to be sub-stantially veracious, will, I trust, prevent no rheumstic fellow from profiting by a het best best best feel or from profiting by a het bath :

signally failed, he bore the flag which had Absent-minded man in a hot-bath: Come here, waiter; come and turn off the steam. I can't manage it, and I'm scalding to death.
